2nd Clean Energy for EU Islands forum

#CE4EUislands

MARIA SPYRAKI

Member of European Parliament

Towards an Energy Union

#EnergyUnion

Clean energy for all Europeans

Clean Energy for EU Islands

#CleanEnergyIslands

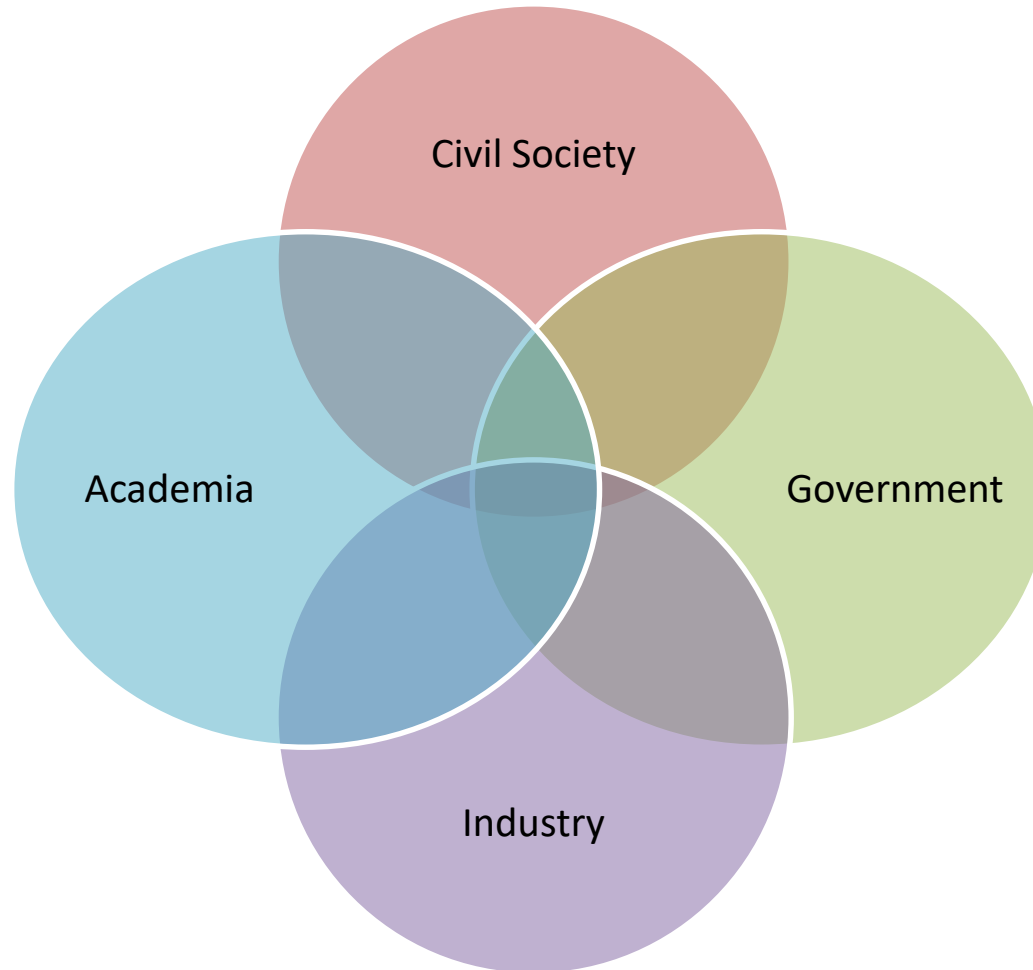

2nd Clean Energy for EU Islands Forum

Let's focus on two of the priority thematic blocks

Stakeholder engagement and bottom-up approach to decarbonisation, and

Planning island-wide decarbonisation

Stakeholder engagement and bottom-up approach to decarbonisation and building quadruple helix partnerships

KYTHNOS ISLAND:

home of the first wind park in Europe built in 1982

GREEK ISLANDS PIONEERING SMART ENERGY SYSTEMS

★ ISLANDS WITH INNOVATIVE SMART ENERGY PROJECTS

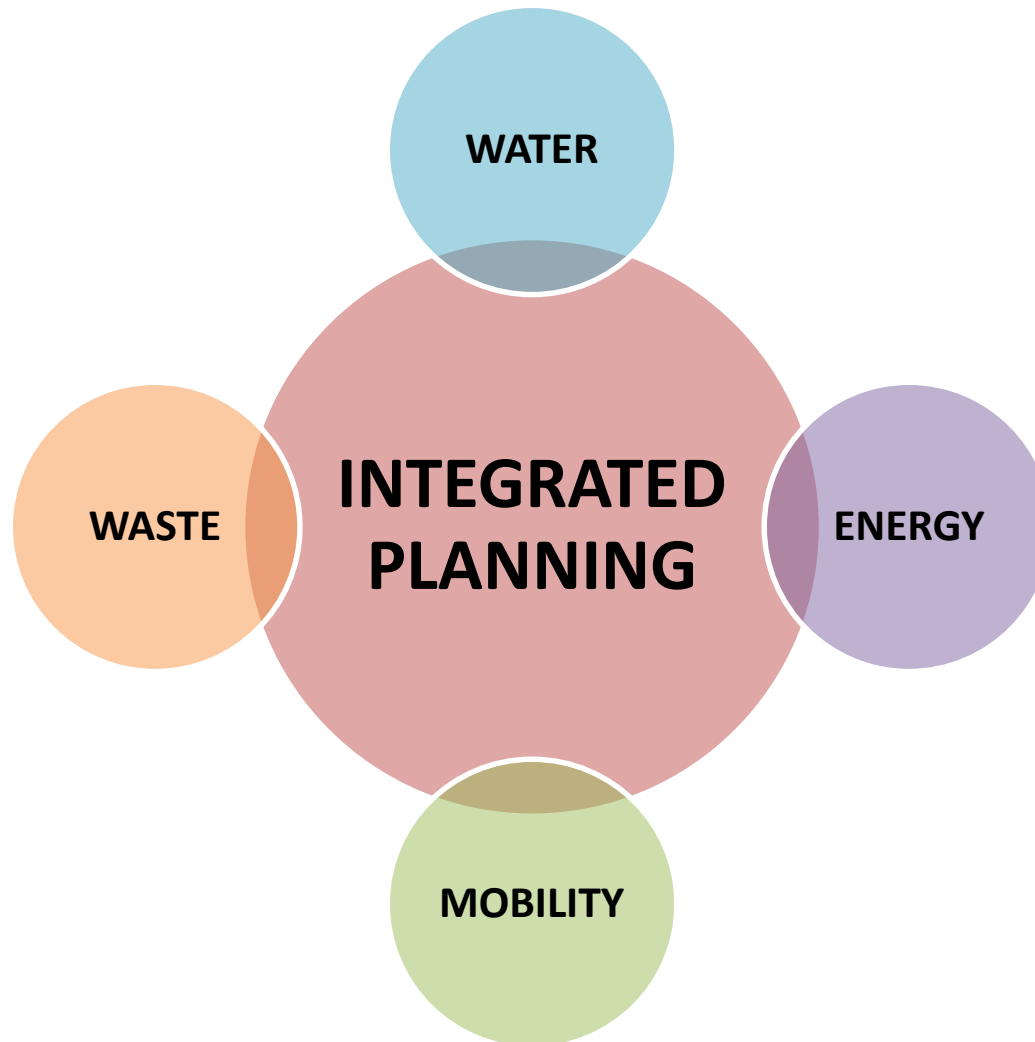

- Kythnos
- Icaria
- Tilos
- Agios Efstratios
- Symi
- Megisti
- Astypalea
